

## **OPEN HOUSE PUBLIC MEETING**

**STATE PROJECT NO.: H.011137: I-12: LA 1077 – U.S. 190  
FEDERAL AID PROJECT NO. H011137  
ROUTE: I-12  
ST. TAMMANY PARISH**

The Louisiana Department of Transportation and Development (DOTD) is conducting an open house public meeting for the proposed I-12 project from the LA 1077 interchange continuing eastward to the US 190 interchange in St. Tammany Parish. DOTD initially proposed to widen I-12 from approximately 1.2 miles west of the LA 21 interchange continuing eastward to the US 190 interchange. However, to alleviate on/off ramp traffic the project limits have been extended 0.8 mile west to the LA 1077 interchange. The project proposes to widen I-12 by the addition of one lane in each direction into the existing median; to overlay the existing lanes with asphalt; and to install concrete median protection. The project will also include auxiliary lanes connecting Pinnacle Parkway across the Tchefuncte River to US 190 in both directions.

The purpose of the meeting is to provide information about the project and to obtain input from interested parties. There will be a continuous multi-media presentation about the project. Additional project information will be available. Representatives from DOTD will be available at the open house to answer questions and discuss issues related to the project. Oral and written comments on the project can be submitted at the meeting. **Comments can also be mailed to the DOTD address shown below, postmarked by April 17, 2019.** The public meeting has been scheduled as follows:
