# WORKSHOP AND PUBLIC INFORMATION MEETING

for Corridor Study  
North-South Expressway  
(I-220 to Arkansas State Line)

The Louisiana Department of Transportation and Development (LA DOTD) seeks public comments from individuals, citizens, community groups and organizations, local officials, and agencies on the proposed, new highway between I-220 to the Arkansas State Line. The approximately 34 mile highway is part of the proposed highway corridor between Shreveport, Louisiana and Kansas City, Missouri. The funds for this Study were made available as a result of the Intermodal Surface Transportation Efficiency Act (ISTEA), passed by Congress on December 10, 1991.

### Purpose of Study

Purpose of Study is to:

- Identify environmental concerns
- Conduct a comprehensive traffic analysis and define traffic demand
- Identify alternative roadway alignments

Study will document findings and present a comparative analysis of each alternative alignment; Study will not identify a preferred alignment and shall not serve as an Environmental Impact Statement.

### Study Limits

Study limits are generally bounded on the west by LA 1, on the east by US 71 except for an area east of Houston between Gilliam and Ida, on the north by the Arkansas State Line and on the south by I-220 between US 71 and LA 173. A map of Study limits is on the reversed side.

### Purpose of Workshop and Public Meeting

The primary purpose of the Workshop and Public Meeting is to inform the public of the purpose and scope of the Study, to provide an up-date on study work conducted to date and to receive information, comments and concerns from residents within the study area and the general public within the affected area.

During the Workshop period, exhibits will be available for review; the public will have the opportunity to talk to officials and study consultants, and to write their comments. Attendance to the Workshop is encouraged for those who cannot attend the Public Meeting. Write-in comments received during the Workshop shall receive the same attention as comments received during the Public Meeting.

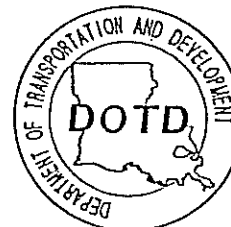

Written comments regarding the project can be addressed to:

Demopulos and Ferguson, Inc.  
 401 Edwards Street, Suite 1600  
 Shreveport, Louisiana 71101-6141  
 Attention: Mr. Chris Demopulos

## CITIZEN COMMENT FORM

Public Comments Being Sought  
for Corridor Study  
North-South Expressway  
(I-220 to Arkansas State Line)

The Louisiana Department of Transportation and Development (LA DOTD) seeks public comments from individuals, citizens, community groups and organizations, local officials, and agencies on the proposed, new highway between I-220 to the Arkansas State Line. The State of Arkansas is planning the extension of this roadway to Texarkana, DeQueen, Ft. Smith, Fayetteville, and Missouri State Line (portion of the project has already been constructed).

Please make your comments on this form in the space provided. Leave the form with the LA DOTD official or the Consultant at the Workshop or Public Information Meeting or mail by September 10, 1994 to: Mr. Chris Demopoulos, Demopoulos and Ferguson, Inc., 401 Edwards Street, Suite 1600, Shreveport, Louisiana 71101-6141.

- 
1. Do you have knowledge of any archaeological sites, historical buildings or areas, or cemeteries (family or part of an abandoned church site)?
  2. Do you know of any abandoned landfills or hazardous waste sites, environmentally sensitive areas, endangered species or unique biological conditions, or endangered wildlife habitats within the Study area which should be considered in the evaluation of this project?
  3. If the proposed highway is within two miles of your community, do you believe it will have a beneficial effect upon its economy?
  4. Do you believe this project will have a beneficial effect (economical, quality of life) upon you or your community?
